for **DNV**

This document has been digitally signed and will therefore not have handwritten signatures

Bambrick, David
Surveyor

This Certificate may be withdrawn if:

1. The service provided has been improperly carried out or the results improperly reported.
2. The surveyor has found any deficiencies in the accepted operating systems of the service supplier.
3. The firm has failed to inform of any major changes having effect on the quality of the service rendered.
4. The conditions listed in the certificate are changed and/or are not fulfilled.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to 300,000 USD.

Certificate No: **AOSS0000DN8**
Revision No: **2**

Remarks:

Pro-Dive Marine Services may carry out periodical in-water bottom surveys using approved and certified divers and remotely operated vehicles (ROV) MarineNav Oceanus Pro ROV System with DNV Surveyors present.

The survey with ROV shall provide the same results as for any ordinary survey performed in drydock. The survey shall be conducted under DNV supervision and attending surveyor may request additional inspection depending on the outcome of the survey.

For bottom surveys afloat, requirements in rules for ships, pt.7 ch.1 sec.5 1.5 shall be observed.
